PURPOSE

The purpose of this Ordinance #35 is to protect the people and property within Hagar Township against health, safety, environmental and fire hazards caused by the burning near roads, streets, places, buildings and structures, both public and private; to promote the health, safety and general welfare of the community by regulating methods of burning of materials; to encourage alternative methods of disposing of natural and biodegradable materials.

GENERAL PROHIBITIONS

All out-of-doors burning of material shall be prohibited, except as provided for in this Ordinance. **No wood treated with creosote, wolmanized, pressure treated or otherwise painted or stained may be burned. Asphalt or fiberglass roofing material, tires, trash, garbage and other household or industrial refuse may not be burned.**

Burning shall be prohibited if it is determined by the NBFRR Fire Chief or his/her designee that conditions are such that burning would be hazardous to the health, safety and general welfare of persons or property in the community. Any person who refuses to extinguish open burning after being informed by a Township fire fighter, police officer or other Township officer or employee of this determination shall be in violation of this Ordinance.

SANCTIONS

Any violation of Ordinance #35 shall be deemed to be a municipal civil infraction as defined by Michigan Statute which shall be punishable by a civil fine determined in accordance with the schedule of fees outlined in Ordinance #35. Fines range from \$75.00 to \$500.00 with potentially additional costs as well as increasing costs for multiple infractions.

BURNING PERMITS

Burning Permits are issued by the Hagar Township. Completion of a burn permit form is required prior to open burning that requires a burn permit. All Open burning is required to have a burn permit issued with the exception of Fire Pits, Patio fireplaces and Campfires.
